

Creating interior style

Inspired decorators, Ann Ramsdale and Anne O'Halloran combined talents and knowledge to establish their decorating business, Red Coral Design. They offer a high quality interior decorating and design service, colour planning, window treatments and decorative accessories.

Their showroom is an expression of their taste combining both contemporary and classical styles. Custom made furniture and furnishings from Red Coral Design will set the style of your home and their unique range of gifts, lamps and homewares will inspire.

To create an environment that is stylish, functional and affordable, contact Red Coral Design.
